Please contact the Church Office with any specific prayer requests or prayer updates.

Please pray for the following requests within our Church Family:

- Stan Rempel is having significant problems with headaches & back pain. Please pray for relief from the pain.
- Chad Suderman has finally been diagnosed with Chronic Fatigue Syndrome. At this time he does not have a treatment plan. Please pray that he will find a treatment plan that works for him.
- Rosella Friesen's brother, Arnold Krahn, passed away last week. . Please pray for Rosella and her family as they grieve. Also, Rosella has been having some stomach issues. She will be having tests done on May 9th. Please pray for a solution to these issues.

Missionary Prayer Request:

- Brian & Debby Stout – We are excited as next week, Lord willing, we will be flying to Minnesota for a 4 month home service. Our home base will be in the Mound, Minnesota area. We are excited to share about God's faithfulness and what He has done in Macedonia and in Croatia. We will be at the Windom E-Free church on July 10th!
- Rachel Balia - We just welcomed a bunch of new little "brothers & sisters". Our second Promise House has opened for children under 10 years old. Please pray that the kids will thrive in this loving, family environment. We are presently constructing a school for the hearing impaired, the foundation is finished. We will be starting the 3rd grade classrooms and God is providing the \$40,000 needed for that. Thank you for praying! Keep asking God to provide someone to oversee GlobalFingerprints ministry here in Congo, who will eventually take my place. We hope to be in the United States by May, for 4-5 months and would love to see you!
- Tim & Carolyn Dahlin - One of the blessings of the past 2 years has been the growing student body of ProMETA. With more students, that means we need more instructors. Tim has been sensing that it was time to train in a new person to participate in this task. The recommendation was made to contact Fred Garcia, a former student & member of the ProMETA team & faculty. Fred has added new valuable elements to the instruction. Praise God for the skill of this talented staff member. Jonathan graduates from Shepherds College on June 4th. Eventually he would like to be in the Twin Cities area, where there are more options for him. However, for the first few months we are looking to find him a temporary living situation & work in our hometown as he transitions from school to a more independent life. We ask for your prayers for this. Karin will soon be an HVAC journeyman (woman) as she finishes her apprenticeship this year. She has had the privilege to participate in & win 2 competitions in this field. We visited Joel for Easter. We enjoyed seeing some of the Maryland countryside with a friend of his, visiting his church & touring the Museum of the Bible. Please pray for our ongoing efforts to train Latin American to assume roles Tim has had with ProMETA. For opportunities to help families & churches on the topic of disabilities. For health and for a restful & helpful time at the Deer Ridge retreat center. For provision for a good, safe living arrangement for Jonathan after graduation, for employment, and a community of people for him to join. And for better sleep for us, especially for Tim.
