*Please contact the Church Office with any specific prayer requests
or prayer updates.*

Please pray for the following requests within our Church Family:

- Ruth Rempel's sister, Myra Rolerson, has been diagnosed with breast cancer. Please pray for Myra and her upcoming treatment.
- Darellyn Harrington had a very heavy door slam shut on her left hand. She has 2 broken fingers and serious lacerations. Please pray that she does not get infection in the wounds and that everything heals properly. Also continue to pray for the physical therapy that she is receiving for the injury that she received to her right hand several months ago.
- Ruth Rempel's brother, Mark Warner, had a very nasty fall last week that resulted in 2 broken and 1 fractured vertebrae in his neck. He was airlifted to St. Mary's hospital in Rochester where he underwent 5 hours of surgery. He was moved to rehab on July 5th and will remain there until July 27th.

Missionary Prayer Request:

- Brian & Debby Stout - Please pray for their home visit and their time with family and friends.
- Tim & Carolyn Dahlin – Jonathan graduated from his three-year program at Shepherds College on June 4th. He has worked hard and learned so much. Jonathan is meeting with vocational specialists to find employment in his field and is also in the process of finding a place where he can live more independently. Last month 11 students from several countries completed a ProMETA course entitled Models of Discipleship. During this course students took a close look at Jesus' teaching and practice regarding discipleship as well as the practice of the early church. For their final project, they developed a plan for making disciples in their own ministerial context. The projects chosen were varied including a plan for discipling church young people (Nicaragua), development of a school to equip leaders with homiletical skills (Venezuela), and a discipleship plan for a house church (Venezuela). Thank you for praying for our retreat at Deer Ridge, which was very profitable. We have been experiencing renewal and better sleep. Please continue to pray for balance in our lives. Pray for provision of a good living situation and employment for Jonathan. Pray for direction in the different training opportunities we have in Latin America and the Caribbean.
- Friday & Karen Omot – have made it to Africa! Please pray for sleep & rest & continued endurance of living out of suitcases. Please pray for Africa Based Orientation and release of expectations in the upcoming weeks and months.
- Rachel Balia - has been in the States for 5 weeks, without Gilbert! He stayed behind to make some progress on the 2 school projects. Please pray Gilbert can get rooves up and come join Rachel in the States. It's rainy season, which doesn't help with getting the school projects completed. In the meantime, Rachel is traveling, hoping to visit many churches. She will return to Gemena, DR Congo in October. Thank you for praying as she travels, and pray that Gilbert will join me for many of these visits!
